We tend to specialize more in fawns, but when the opportunity arose to purchase Astrid Grace's dam, Addie, we just had to have her-- a full Accoyo daughter of the legendary Caligula and Ppperuvian Ayaviri who is also the dam of multi-Champion fawn El Nino's Accoyo Michelangelo. Her sire, Sir Peruvian Accoyo Odyssey, is a champion in the show ring as well.

Yes, Astrid Grace is a full Accoyo; but, that's not what makes her special in our book-- it's the fleece on this girl. The brightness, crimp, and density is remarkable! Her personality is just like her mom.....quiet, serene and cooperative. Although we never showed Astrid, we are sure that if we did she would have been a champion, just like Addie's other offspring. Astrid's genetics would be a huge asset to any farm!
