Wow, seeing is believing with this boy! He has it all... extraordinary density, tight zippered crimp, a very fine fleece, ideal confirmation and personality...we know it's Bonsai behind us when we feel a nibble on our belt loop. Dam, Mystico Maxina, is one of our foundation females, and a 5x Champion including a Reserve Championship at AOBA Nationals. Sire, El Nino's Accoyo Michelangelo, is a multi-champion full Accoyo son of El Nino (Caligula's best son). When Bonsai was two years old, one respected breeder declared Bonsai the densest junior herdsire she has seen that year. We are so impressed with him that we chose to breed him this past fall to "Dam of the Century" Misty Maiden and her daughter Miss May.
